BAR HILL RESIDENTS ASSOCIATION - A.G.M.

In addition to the retiring committee, a District Councillor and County Councillor, only two residents of Bar Hill were present at the recent Annual General Meeting of the Association. It would seem that the vast majority of residents remain indifferent to what goes on in the village where they live. Also it was very fortunate that the existing committee were prepared to stand again for another year, to produce this magazine and serve the village again, with other annual events.

BAR HILL COMMUNITY PRIMARY SCHOOL

Happy New Year to you all. A little late but sincerely meant. The New Year at your Community School has got off to a fine start with people coming along to join in classes and groups from the villages that ring Bar Hill - Hardwick, Madingley, Over, Longstanton, Swavesey, Gorton, etc. This, hopefully, shows that our fame is spreading and that we welcome all to enjoy the facilities at our Community School. If you were caught "on the hop" by the course enrolment day being so quick after Christmas, don't forget you haven't lost out completely as the courses sponsored by the Users Association mostly run on a five week basis - this spreads the cost and also enables you to try something different without committing yourself too heavily - the next enrolment week will be the week of 24th February. Just come along on the appropriate night of that week for the first meeting of your choice, of course, and I will happily relieve you of the necessity of carrying those little pound coins around with you. If your needs haven't been met by the current "menu" don't forget to let me have your ideas for a course in the near future. Remember it usually takes about two months to set up a course so I do need to know YOUR requirements early.

This month we have an ITALIAN COOKING evening on Wednesday 12th February at 7.30 pm. Tickets are 95p and will include a tasting of the food prepared. Do come along and find out that there is more to Italian Food than Spaghetti Bolognaise and Minestrone soup.

On 1st March we shall be holding the second of our Annual Community Users Dance. Last year, the first such dance, was voted a very enjoyable evening and plans were set in hand to hold this years dance. Mike Buntings Band has a widely acclaimed reputation and plays a mixture of tempos to suit all ages. A sit down supper has been arranged to provide a chance to give the feet a rest half way through the evening. Do come along and enjoy a social evening with us. Tickets will be available from the school.

Next month also sees a "one-off" evening on Alternative Medicine and the Red Cross are giving a talk of First Aid in the Home. More details in next months Newsletter.

I look forward to seeing you in your Community School and remember, I am always in School during the day and on Tuesday evenings between 7.00 and 8.00 pm if you wish to discuss any aspect of community life in which I can help.

Community Co-Ordinator

BAR HILL CATHOLICS

Our next monthly Mass is on Sunday 9th February at 11.30am in the Church Centre and is part of a shared day with Bar Hill Church. After Mass we shall have lunch (please bring a little food to share) and then there will be a talk, with slides, on Taizé, the ecumenical religious community in France. The day will finish with songs and prayers at about 4.30pm. Everyone is welcome, so please do come and share what promises to be a wonderful day.

Colours Club for children of primary school age is held every Tuesday at 4.00pm until 4.45pm in the School. We are starting to prepare children for First Confession and First Holy Communion, so if your child will be 7 by June and you would like him or her to join the class, please come along, or ring Margaret Moffat, 82366 for more details.

Would you like to come to Mass, but find it difficult because of your small children? You may be interested to know that we now have a creche at our monthly Mass, for children under 5.

All Catholics in Bar Hill are invited to join the "Lent 86" house groups, to be held on Thursday evenings during Lent. This course which is linked to radio programmes and a phone-in, is entitled "What is Church for?", and should prove very stimulating! Please ring me if you would like to join a house group.

If you are new to the village, welcome. Please feel free to ring me, if I can give you any more information on Catholic activities in Bar Hill, or in the area generally.

BAR HILL CONSERVATIVES

It is now two years since Mr. Amadee Turner was elected as Euro MP for Suffolk and South East Cambridgeshire. During this time, he has visited Bar Hill on two or three occasions, and his constituents are always welcome to contact him at 10 CHURCH STREET, FRAMLINGHAM, WOODBRIDGE, SUFFOLK.

Since 1984, he has been a spokesman on Research and Technology, involved in bringing together scientists and high technology companies to work on specific scientific projects. Many of these are in the Cambridge area.

COULD YOU USE YOUR VILLAGE HALL?

We are pleased to say a lot of people do. At the present time the Hall has regular bookings for Chess, Keep Fit, Dance Classes, Weight Watchers, who all meet on a weekly basis.

Many people also find that we offer good facilities for Dances, Discos, Parties, Wedding Receptions, etc.

Upstairs the Social Club is open every evening and week-end lunch times. The annual subscription is very reasonable, and you can take advantage of "club" prices. Snacks are also available, and children are welcome (subject to Club rules) so the whole family can enjoy themselves.

The changing rooms downstairs are used by the village Football and Cricket Club, and can also be hired.

So why don't you think about using the facilities which already exist, or maybe your Club or Organisation would like to join our list of satisfied customers.

The Village Hall Management Committee are responsible for the day-to-day running of the Hall. We are also carrying out an ongoing programme of improvements as funds allow.

If you are interested in holding your function in YOUR Village Hall please do not hesitate to contact Mrs. D. Fink, Tele: CH 80233.

did!

The committee would like to thank Cambridge Scanning, Bar Hill

A plea to dog owners - parents are very concerned about dogs
fouling the area around the School. Please keep your dogs away
from the grass and on a lead when near school premises. Our
paramount concern is that of the health and hygiene of our

BROKEN GLASS MUST NOT please be put in refuse sacks. Too many refuse collectors have suffered serious cuts needing stitches.

South Cambridgeshire Council will take broken glass provided it is put out in a strong, open box so the bin men can see what they are handling. Most cardboard boxes are no good in the rain.

Please always have thought for the refuse collectors who give us a good, low cost service. Sharp tins, etc. are equally dangerous. If in doubt, phone Malcolm Warmbold on Histon 2669 for advice on a special collection.

WEIGHT WATCHERS COME TO BAR HILL

At last Weight Watchers have opened a class in Bar Hill. They meet on Thursday evenings at Bar Hill Village Hall, The Spinney, Saxon Way from 7.30 to 9 p.m.

AN OPEN LETTER TO ALL RESIDENTS FROM YOUR LOCAL COUNTY COUNCILLOR

Dear Resident,

'What a load of rubbish'. Some parts of the village are being plagued with phantom rubbish dumpers, a problem discussed at a recent Parish Council Meeting. Good news for anyone with bulky rubbish to get rid of, the County Council has opened a new rubbish tip at Fenstanton to add to the present facility at Milton.

Bar Hill Library has been confirmed in the County Council's Capital Programme for 1988/89. However, due to the heavy demand that exists in the Village with over 1000 plus books being issued per week, the largest figure for any mobile Library in the County, I have asked the Chief Librarian to seek ways to increase the hours of the Mobile Library to satisfy the demands of the Community. This suggestion is to go to a Working Party set up by the Libraries and Museums Sub-Committee to review Library provision both static and Mobile in the County.

The Education Committee at the January Meeting approved the extension to all Secondary Schools in the County the current 'Local Financial Management' pilot scheme which over the past three years has operated successfully in 6 Secondary and 1 Primary School. It has also been agreed to extend the scheme to 10 Primary Schools.

Financial Management is a scheme whereby schools have a far greater command over the spending of their budget. By careful control of finance and more effective working arrangements the participating schools have been able to save money which has been put to good use, some of the benefits being:-

1. Extra teacher training.
2. Improved staff/pupil ratio.
3. Purchase of a mini-bus.
4. Increased finance for school library.
5. Complete curriculum development of a Maths project.
6. Extra ancillary support both technical and secretarial.

The Education Committee of which I am a member has also approved the following:-

1. A total net budget for 1986/87 of 140.5 million pounds. This is an increase over and above inflation of 2.6 million pounds.
2. Set up a working party to look at post 16 education in Cambridge City and the surrounding area.
3. The phasing out of corporal punishment.
4. Agreed to my special motion to publish full and detailed Examination results for all secondary schools and colleges.

I also attended a seminar in London on the Management and Use of Local Authorities Pension Funds. Cambridgeshire is responsible for providing Pensions for over 3½ thousand pensioners ie former County and District Council employees. The investment currently stands in excess of 160 million pounds.

The Local Area Board of the Manpower Services Commission have now approved the programme for the extended 2 year Youth Training Scheme to start this summer. Cambridgeshire will have over 2900
continued/

/continued

places with a wide and citing range of opportunities. All last summers 16 year old school leavers have been offered places on the current scheme.

Finally, if anyone wishes to contact me for any reason please either telephone on 'Careline' Crafts Hill 80975 or write to Councillor Reynolds, 4 Pettitts Close, Dry Drayton, Cambridge.

PARISH COUNCIL NOTES

The monthly meeting of the Parish Council was held on Thursday 16th January in the Village Hall.

Venue for Parish Council meetings

The refurbishment of the Farmhouse is now almost complete and it was agreed that as from February 1986 Parish Council meetings will be held there. Meetings will continue to be held on the third Thursday of each month, starting at 7.30pm. Parish Council elections are due to be held in May this year, and several councillors will not be standing for re-election. Anyone who is interested in the work of the Parish Council, and who might consider standing for election is most welcome to attend meetings in order to gain some background knowledge, although of course, only elected councillors may speak at meetings.

Footpaths

Mrs. Cruse again expressed concern that the approaches to several bus stops are very muddy, and suggested that footpaths should be constructed to give access. Mr. Reynolds will take the matter up with the County Council.

Road layout in Field View and The Spinney

It was confirmed that the present road layout, in which these two roads join to form a through route, was in accordance with the planning consent. However, the layout can be reconsidered if any problems arise. If local residents have any comments to make they are invited to contact any member of the Parish Council.

Willow trees in the Village Park

A number of willow trees in the Village Park will have to be felled as their roots are penetrating the sewer. We apologise to residents for this unfortunate necessity and for any inconvenience which may be caused. It is hoped to obtain some financial assistance towards the cost of replacing these trees with a more suitable variety.

Library

Consideration is being given to extending the hours of the mobile library in Bar Hill. More information will be given as soon as it becomes available.

The next meeting of the Parish Council will be held on Thursday 20th February at 7.30pm in the Farmhouse.

SITUATION VACANT

The position of Clerk to Bar Hill Parish Council becomes vacant from 1st April 1986. Anyone who is interested in taking up this office should contact Mr Alec Green, 16 The Brambles (tel 80978) or Mr. Mike Duce, 22 Gladeside (tel 80677) for further information as to the duties and responsibilities involved.

SUNSHINE PLAYGROUP

By now everyone has hopefully recovered from Christmas/New Year festivities and we hope that 1986 has started well for all of you. The new term started on time for us, despite a slight hiccup caused by burst pipes over the holiday! This term we have welcomed Johnny Last, James Impey, Lucy Arliss and Paul Spear to Sunshine and we hope they will enjoy their time with us.

At Christmas we said goodbye to David Bailey, Claire Magee and Rebecca Oram - we wish them all luck as they embark on their time at school.

Lastly, but very important, our A.G.M. will be held in the Sunshine Playgroup building on MONDAY 10TH FEBRUARY at 8.00 pm, the meeting to be followed by cheese and wine. Everyone who is connected in any way with playgroup is most welcome to attend and we look forward to seeing lots of you there.

LETTER TO EDITOR (DATED 23RD DECEMBER 1985):

Dear Madam,

I am moved to write you by the sight, on Friday last, of a police Panda car parked actually on the grass roundabout at the entrance to the village (outside the Cambridgeshire Hotel).

I have long been disappointed at the way people, presumably both resident and visiting, abuse the valiant attempts of our elected representatives and their maintenance staff to provide us with amenable surroundings and wonder if thought is being given to steps which could be taken to prevent such abuse.

Whilst building construction is still taking place any major preventive effort would no doubt be to little avail but perhaps, when the village is complete, we could think of, for instance, kerbing the outer edge of the perimeter road to dissuade people who visit us to exercise their dogs, to consume their lunchtime sandwich, residents who use our "green belt" for overnight parking, etc., from despoiling our landscape by changing the green grass to muddy brown wheel tracks. A lay-by or two could perhaps be provided at suitable positions.

Meanwhile, I trust the Parish Council will have a word with the Constabulary to ensure that their parking of Pandas on our pasture does not become a habit.

Thank you Council, for all your hard work on our behalf and a peaceful New Year to Bar Hill and the World.

Sincerely,

Les Bridgeford,
68 Appletrees

The Bar Hill Social Club wish to thank everyone who helped at the riotous Childrens' Christmas Party. Everyone had a whale of a time including of course, the adults!!

LOST:

After the Toy Library Nearly New Sale I discovered that I had left behind one of the toys I had bought. It was a sit-upon and steer type toy which could also be pushed by a child. I cannot remember if it was yellow or red but I think it had circular motifs down the sides. It cost £4.50. I wonder if it was collected by its owner at the end of the afternoon. As I had removed the price/name tag it would have been difficult to resell it. If anyone knows anything about this toy I would be so grateful if they would be so kind as to contact me.
